Description/Remarks

This is a 2-story, 3-bay domestic building in the Late Victorian style with Italianate influences built in 1903. The structural system is frame. The foundation is undetermined. Exterior walls are original brick. The building has a pyramidal roof clad in replacement asphalt shingles with raked open cornice , eave brackets. There are two offset left, side slope, brick chimneys and two offset right, side slope, brick chimneys. Windows are replacement wood, 4/1 double-hung sashes. There is a single-story, full-span open porch characterized by a hip roof clad in asphalt shingles with battered brick posts. The property is located in PDD-97 (Planned Development District), adopted by Ordinance 23-2005. This PDD has special design standards to address placement of structures and improvements on the property.
